Dear Principal Ko,

Re: Achievements of Your Graduates

As we are ushering in the academic year of 2012-2013, I would like to take this opportunity to share with you the significant performance your former students have achieved in the academic year of 2011-2012 in the domains of academic, sports, music, arts and services and express my heartfelt appreciation of the efforts you have readily made in the children's development during their foundation years.

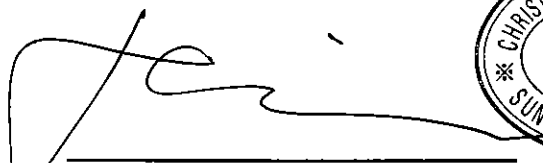

To begin with, we are pleased to share the delight of our students obtaining the credit rates of all subjects in the HKAL Examination averaged at 47%. Among all the subjects, Liberal Studies (LS) has achieved a credit rate of 80%. Nine LS students achieved Distinction, representing one-sixth of the total for all of Hong Kong. One of our students, Chan Heung, obtained five distinctions in the HKAL Examination and was the only straight As student in the science stream.

At the same time, we are encouraged to achieve amiable results in the first HKDSE Examination with 84.8% of all candidates of the school meeting the basic university entrance requirement of 33222, and all candidates fulfilled the 22222 entrance requirement of sub-degree programmes.

For your kind reference, we are delighted to attach a list of notable awards, both internal and external, which your graduates have individually received.

Lastly, I wish you continued success in your educational endeavours and trust that we will continue our amiable cooperation in providing children with forward looking education that they need.

Yours sincerely,

Ms. Poon Suk Han, Halina, MH
